ELECTRICS QUICK GUIDE

This is a guide, designed to assist exhibitors plan their power requirements for their stands. Please contact us if you require any additional help & information. The sockets we provide, have different power ratings. Below is a guide which shows the sort of equipment that can be use with each:

1kw (is approx 4.5amps) suitable for:

A small domestic coffee machine (750w - 1kw)
Vacuum cleaner (800w - 1kw)
One computer
Mobile phone charger
TV / Video

3kw (is rated at 13amp) suitable for:

Kettle (2kw-3kw)
Catering coffee machine (upto 3kw)
Industrial cleaner (upto 3kw)

The above list is a guide only and indicates individual items that can be used with each socket. The use of more than one item with one socket is not acceptable. At most venues the use of extension cables and sockets is not allowed.

Actual power requirements will vary, dependent upon the equipment being used. All electrical equipment carries information showing its power consumption in KW or watts. It is the exhibitor's responsibility to check their own equipment before ordering.

Onsite if the socket you have ordered is overloaded the fuse will blow. You will be required to pay for the socket to be uprated according to the power that you are using. The socket will not be re-energised until the problem has been rectified. This can cause delays during the build up, to your stand and other exhibitor's located next to you.

PAYMENT DETAILS *(Please select one)*

I enclose a cheque made payable to Inter Electrical Services Ltd.

I enclose a completed card authorisation form for payment *(Please note, we can not accept card details over the phone)*

Please invoice me, I accept my order can not be processed until payment has been received.

My payment will be with you by **4 Sep 2019** to guarantee the early-bird discounted prices

TERMS & CONDITIONS

- * To place an order, please complete and return this form using our contact details at the top of page one.
- * All order's must be placed in writing via this form. To avoid any discrepancies onsite we cannot accept your order over the phone.
- * Any queries or complaints should be dealt with during the build up of the event, please contact our service desk onsite for any problems to be resolved. Any queries or complaints after the event, should be sent to us in writing, within five days of the event, to be dealt with appropriately.
- * Any order amended or cancelled by the Exhibitor prior to the event, will be subject to a cancellation admin fee of £10.00 + VAT
- * **Please contact us, if you have not received confirmation of your order within 7 days of placing it.**
You will need your confirmation onsite.

ELECTRICAL PLAN *(Please tick)*

I have attached a plan of my stand, showing where you'd like each item positioned, this includes the mains supply.

I require floor sockets and will be installing a raised floor. (We can not run cables under carpet)

If you do not supply a plan, the items you've ordered will be positioned at the discretion of the electrician and you will be charged £25.00 + VAT per item, should you require any item moved.

SIGNED: _____ DATE: _____

By signing this order form, you agree to the terms and conditions, as outlined above.
